FRIENDS OF THE CERBERUS Inc. ANNUAL GENERAL MEETING 2021

PRESIDENT'S REPORT 2020/2021

2021 marked the 150th arrival of HMVS Cerberus in Port Phillip, an event that was celebrated by the issuing of an Australia Post postage stamp, medallion, first day cover etc. In conjunction with representatives from the Royal Australian Navy (R.A.N.), Heritage Victoria, the City of Bayside, the Black Rock Yacht Club and descendants of Captain Panter, we unveiled the stamp in Black Rock Yacht Club overlooking Cerberus in Half Moon Bay.

The unveiling ceremony enabled us to re-establish contact with the City of Bayside, meet the new Senior Maritime Archaeologist of Heritage Victoria and to meet the R.A.N.'s Senior Naval Officer in Victoria, in person. We are hopeful that a productive relationship has been rekindled with Bayside, and that along with the National Trust, the R.A.N. and Heritage Victoria the future for Cerberus will be brighter than it has looked over the last few years.

Another development this year has been the work on a Virtual Reality project built around the delivery voyage of Cerberus, Shot and Shell Practice and the Victorian Navy's reaction to a possible enemy attack in 1888. We look forward to featuring this Virtual Reality Presentation as part of our Victorian Naval Forces display at the Seaworks Maritime Museum.

I would like to thank Peter Tully for his crucial, professional and thorough secretarial work that allows our committee to keep operating. I would also like to thank Peter for assisting our Treasurer, John Baragwanath over the last year, in Peter's new role as Assistant Treasurer. Thanks also to John Baragwanath for his treasury work and for hosting our only physical committee meeting during Covid. Thank-you to Gary Grimmer for convening Zoom meetings which enable the Committee to still meet during the lockdown restrictions. Apart from my camera's inability to function, the Zoom meetings have functioned smoothly, and of necessity briefly. Thank-you also to Gary and for his liaising with stakeholder representatives. Thank-you to our membership secretary, Vice President John Toogood for not only handling memberships both for keeping our database up to date and in sending out the annual membership renewals, but for also despatching our merchandise and assisting with our display at Seaworks Maritime Museum. My appreciation also to John Trewarne for his input as well as his assistance at the Seaworks Maritime Museum, to Graeme Disney for his wise counsel and to Patrick Simpson and Jeff Bird for their valuable input at committee meetings.

Hopefully the remainder of the 2021/22 year will see Cerberus' stakeholders working together to find an agreed on solution to preventing Cerberus from collapsing.

ANNUAL GENERAL MEETING 2021

VICE PRESIDENT'S REPORT 2020/21

Over the last 18 months I have taken on the role of memberships in addition to preparation and mailing of online stores orders and maintaining the social media content for *Friends of the Cerberus*. The role of memberships comprises updating members details in addition to sending out renewal notices/invoices for each fiscal year. Our social media pages require constant attention and responses where appropriate to members posts.

Facts Associated with the Role - 2020/21

- **Membership:** (<https://www.cerberus.com.au/friendss.html>)

Membership is for each financial year (1 July till 30 June) with a renewal notice/invoice sent during the first half to anyone who was a full (*financial*) member in any of the preceding three years and hasn't yet renewed.

Our overall membership (*including associates*) increases every year and at the end June 2021 was in excess of 700 individuals and organisations.

- **Online Store:** (<https://www.cerberus.com.au/store/store.html>)

A wide range of products are available from our online store which at times does a brisk trade in everything from promotional bumper stickers and baseball caps to historic reproductions such as sailors' caps, ship's plans, operations manuals, card models etc. We even have a range of prints by renowned Australian artists. All items are protected against water damage in case they are left sticking out of a letter box or laying against an exposed front door in the rain.

Postage rates have increased substantially in Australia over the past 17 years (*since establishment of the online store*) and likely most other places as well. Nevertheless Friends of the Cerberus has thus far kept such charges unchanged, certainly during the time I have been handling the stores orders which is almost all of that period.

- **Social Media - Facebook:**

Our primary social media presence is through Facebook and for some time now I have been recruited to assist with maintaining our Page and public Group. The page is a relatively early addition to our promotional 'toolbox'. The group was generously created (*and an initial following built up*) by one of our keen supporters.

Page (<https://www.facebook.com/hmvscerberus>) - 950 followers demonstrates a relentless increase in support for our social media 'showpiece'. Supporters from all over the world regularly frequent our page and many also join the group (*below*). At times we have seen visitors from around 50 countries browse posts and links during the course of a month. Currently the top 10 countries providing visitors to our page are Australia, USA, Egypt, Spain, UK, Italy, India, Brazil, Peru and France. You can help grow this community by inviting your Facebook friends to like/follow us by following the above web address.

Group (<https://www.facebook.com/groups/45168765147>) - With membership approaching 700 the group has shown strong growth and enthusiastic engagement by supporters, notably over the past 6 months. The group currently enjoys about 40% of members active during any given month. Anyone can join the group and any member can approve others to join, post and comment. Check it out at the above web address.

- **General Commentary - Website:**

Our main website at <https://www.cerberus.com.au> is an extensive depository of all things even remotely associated with Cerberus, notably the Victorian colonial navies. Unfortunately you will have noticed of late that our news ticker which used to present links to our news items has been disabled. Our President and primary researcher who built and maintains the site assures me that the information is secure but he is increasingly doubtful that the ticker can be restored due to issues beyond my technical understanding. At some stage in the future we may be able to provide an alternative on the website but in the interim please visit our Facebook sites and like/follow/join to participate in a community information exchange on the subject (*refer to "Social Media - Facebook" above*).

I have enjoyed my enhanced role in servicing our members together with the Committee and look forward to the next 12 months.

FRIENDS OF THE CERBERUS Inc. ANNUAL GENERAL MEETING 2021

SECRETARY'S REPORT 2020/21

The role of Secretary had its focus finetuned during the 2020/21 year but it still mainly comprised of administrative items and support to the general committee - in particular all processes pertaining to the holding and reporting on the Annual General Meeting; and taking on the role of Assistant Treasurer to assist with *Friends of the Cerberus* financials.

The last four years has seen a decline in both membership numbers and also financial support. Several factors are attributable for this such as demographics of our membership and the general state of the economy where cash flow has been impacted by Covid19 both personal and business wise. Our finances - though still in black - gives credence to this.

Highlight of the reporting period was the ceremony for the launch of the Australia Post stamp of Cerberus in March at the Black Rock Yacht Club. Not only good publicity but also excellent in bringing together the stakeholders of Cerberus. Congratulations to our President John Rogers for being able to co-ordinate all aspects of this event - it was a triumph. Further, it is refreshing to report that positive working relationships are now being reforged with a number of the major stakeholders and it is hoped that this will lead to fruitful outcomes for Cerberus.

Overall, the role is a highly enjoyable one and requires knowledge on all our activities at all times. It is a good position to keep one's finger on the pulse.

ANNUAL GENERAL MEETING 2021

TREASURER'S REPORT 2020/2021

The year 2020/2021 saw another financial year of little activity for *Friends of the Cerberus*.

Overall we had an increase of funds of \$2,086.08. Income was \$4,214.00 and expenses \$2,127.92 providing an end of year balance at the bank of \$3,803.14. In my view this may possibly paint an embellished picture of our financial status as it was achieved on the back of a once off donation of \$2,204.50 I received in June. Take away that donation and we actually had a decrease in funds of -\$76.58 and a substantially reduced amount of income for the year of only \$2,010. Fortunately, the donation was received in the last month of the financial year and we were able to still be "in the black".

As with last year, 2019/20, we can attribute the low income to a number of factors including: current state of economic activity within the community due to the pandemic; demographics of our membership; accumulation of savings rather than spending (on memberships); and the decision still fresh in members minds to grant a permit to fill Cerberus with concrete that had an extremely negative impact on members. Low income does tend to curb the activities and ability of Friends to lobby other levels of Government and to initiate reports/investigations.

Trends over the past few financial years have seen a decrease in revenue/income sources since 2016/17 with the 2017/18 year seeing our lowest income ever received. Regretfully, in 2020/21 there was no income for 7 months of the fiscal year and income from memberships - subs, ranks and donations - was buoyed by the substantive donation received in June.

Year	Subs & Rank Fees	Other	Total Income
2016/17	\$3,550	\$1,037	\$4,587
2017/18	\$1,050	\$533	\$1,583
2018/19	\$390	\$2,444	\$2,834
2019/20	\$610	\$1,509	\$2,119
2020/21	\$1,580	\$2,634	\$4,214

It is envisaged that the sending out formal renewal notices to members together with increasingly good news on the pandemic front will see once again an increased income flow. We also thank our loyal members who have stood by us all these years to try to save one of the most historic ships in the world still above the waterline and saveable!

I take pleasure in reporting that there are no debts not disclosed and no arrangements have been entered into that could in any way endanger the funds or create a lien over them. We have no assets other than our Cerberus relics which are all listed on our website. We have no contractual obligations.

I therefore commend the financials for 2020/21 to the Annual General Meeting.

Low income does tend to curb the activities and ability of Friends to lobby other levels of Government and to initiate reports/investigations.

Trends over the past few financial years have seen a decrease in revenue/income sources since 2016/17 with the 2017/18 year seeing our lowest income ever received. Regretfully, in 2020/21 there was no income for 7 months of the fiscal year and income from memberships - subs, ranks and donations - was buoyed by the substantive donation received in June.

Year	Subs & Rank Fees	Other	Total Income
2016/17	\$3,550	\$1,037	\$4,587
2017/18	\$1,050	\$533	\$1,583
2018/19	\$390	\$2,444	\$2,834
2019/20	\$610	\$1,509	\$2,119
2020/21	\$1,580	\$2,634	\$4,214

It is envisaged that the sending out formal renewal notices to members together with increasingly good news on the pandemic front will see once again an increased income flow. We also thank our loyal members who have stood by us all these years to try to save one of the most historic ships in the world still above the waterline and saveable!

I take pleasure in reporting that there are no debts not disclosed and no arrangements have been entered into that could in any way endanger the funds or create a lien over them. We have no assets other than our Cerberus relics which are all listed on our website. We have no contractual obligations.

I therefore commend the financials for 2020/21 to the Annual General Meeting.

Resolved on the motion of John Toogood seconded by Patrick Simpson that the apologies be noted.

2.3. Minutes

- The minutes of the Annual General Meeting held on Sunday 2nd October 2016 were summarised by the Secretary. The minutes having also been circulated previously to Committee members and being available at the meeting, were deemed to have been read and to be correct.

Resolved on the motion of John Toogood seconded by John Rogers that the minutes of the Annual General Meeting held on 2nd October 2016 be confirmed as a true and accurate record of proceedings.

3. REPORTS FROM THE COMMITTEE

3.1. President's Report

- The report from the President was circulated as an attachment to the agenda and a copy was tabled.
- The salient points within the report were highlighted by John Rogers and the significant ones were:-
 - o Permit to fill Cerberus with concrete - issued by Heritage Victoria to Bayside Council;
 - o Appreciation of Gary Grimmer for convening Zoom Meetings during the Covid19 lockdown;
 - o Appreciation of John Toogood in taking on the membership role from Peter Tully who had carried out the role since Friend's inaugural meeting.

Resolved on the motion of Tim Horton seconded by Jeff Bird that the report be received and its contents noted.

3.2. Secretary's Report

- The report from the Secretary was circulated as an attachment to the agenda and a copy was tabled.
- The salient points within the report were highlighted.

Resolved on the motion of John Rogers seconded by Patrick Simpson that the report be received and its contents noted.

3.3. Treasurer's Report

- The report from the Treasurer was circulated as an attachment to the agenda and a copy was tabled. Relevant matters within the report were highlighted by Peter Tully (*John Baragwanath late arrival*).
- Noted within the report was a table illustrating that income received for 3 financial years from 2016/17 to 2018/19 was on a downward trend.

Resolved on the motion of Tim Horton seconded by John Toogood that the report be received and its content noted.

4. FINANCIAL REPORTS

4.1. Financial Statements 2019/20

- The financial statements for 2019/20 were circulated as part of the agenda and Peter Tully highlighted relevant matters. Noted that income was slightly up on the immediate previous year.

Resolved on the motion of Gary Grimmer seconded by Jeff Bird that the prescribed financial statements in accordance with the provisions of the *Association Incorporation Reform Act 2012* be received and their contents noted.

5. SUBSCRIPTIONS

5.1. Amount of Annual Subscription

The meeting was advised that:-

- The amount of annual subscriptions was required to be resolved upon at every AGM held after 12 November 2013. This was due to the provisions of the *Associations Incorporation Reform Act 2012* and Friends having its own Rules of Association confirmed pursuant to the said Act.
- The amount of the base subscription of \$20 had not altered since the introduction of fees for a full member while associate members are not required to pay at all.
- A full range of rank fees for various positions in the Victorian Navy and members are able to change - and frequently do - due to financial pressures their rank and therefore amount of subscription.
- It was noted that that a copy of all subscription rates - individual and corporate/organisations - were attached to the Agenda.

Resolved on the motion of Tim Horton seconded by John Rogers that *Friends of the Cerberus Inc* confirm the amount of subscriptions as per the listing circulated with the Agenda and also posted on Friend's website.

Nb the subscription rates are attached as an Annexure to these minutes.

6. ELECTION OF OFFICE BEARERS

Peter Tully advised the meeting that:-

- All 9 (nine) positions on the Committee were hereby declared vacant, such comprising the positions of:-
 - o President (John Rogers);
 - o Vice-President (John Toogood);
 - o Secretary (Peter Tully);
 - o Treasurer (John Baragwanath); and
 - o 5 committee members (Gary Grimmer; John Trewarne; Graeme Disney; Patrick Simpson and Jeff Bird).
- Nominations for the positions and acceptance of such nominations had previously been lodged with the Secretary. Nine nominations had been received for the nine positions - one nomination for each of the 4 Office Bearer positions and 5 nominations for the 5 general committee positions. Accordingly, the Office Bearer positions would be elected unopposed and the general committee members would also be elected unopposed.

../4

6.1. President

- One nomination had been received for the position of President and John Rogers was declared duly elected to that position.

6.2. Vice President - *includes memberships*

- One nomination had been received for the position of Vice President and John Toogood was declared duly elected to that position.
